**Honoring the Nursing Staff**  
**May 6-12**  
**National Nurses' Week.**

Judy Ingrassia, RN, Administrator of Long Island Care Center published an article in Suffolk Life a while ago titled "Professional Nursing. . .One Nurse's Reason for Caring." In it she said

"As a professional in the long term care industry, I feel an even greater, more urgent need to educate younger generations to the rewards of nursing. . . Being a nurse brings with it rewards unlike any profession. My patients know I am there for them, regardless of their need, and that I will continue to do for them as long as they are in need."

NYHCA acknowledges and appreciates the skill and dedication of all the nurses at our member facilities throughout the year.

*National Nursing Home Week*  
*May 8-14*  
*Taking Center Stage*

Celebrate National Nursing Home Week by recognizing all of the people that share in the delivery of quality care in your facility—the residents, family members, volunteers, community, and staff, such as dietary, CNAs and maintenance. Each person's part is important because without them, things could not run smoothly.
