Bob's original framed drawing is on display in the **New York Center** lobby.

A very special event took place at the **Margaret Tietz Nursing and Rehabilitation Center** on Sunday afternoon March 26th sponsored by the Holocaust Resource Center & Archives at Queensborough Community College. The mission of the Nursing Center since opening its doors 35 years ago is the care of Holocaust Survivors, so very appropriately should these two entities get together to honor those who have gone through such trauma in their lives.
