The New York Health Care Alliance is a network of 48 post acute health care facilities providing a continuum of high quality care for patients who need sub-acute care and rehabilitation.

The Direct Link is a patient placement service which provides **Case Managers** and **Discharge Planners** with expert support and direct access to over 12,000 skilled nursing, sub-acute and rehabilitation beds.

The patient placement service provided by the **New York Health Care Alliance** can be accessed by calling: **1-877-HI-NYHCA**. **PRI's can be faxed to 212-968-7710, ATT: Carolyn Angrisani.**

**ST. JOHNLAND NURSING CENTER
NEW SUB ACUTE UNIT**

St. Johnland Nursing Center's, a 250-bed skilled nursing facility, located in Kings Park, NY, new dedicated subacute unit has been open for nine months and offers short-term rehabilitation and complex medical care treating a wide range of patients recovering from accident injury, surgery or illness following hospitalization. Our comprehensive rehab therapies, along with medical, nursing and social programs, enable patients to recover and return home as quickly as possible.

The 24-bed unit is located on the picturesque campus of **St. Johnland Nursing Center** in Kings Park. Please call Jennifer Kennedy, Case Manager, with any questions at 631-663-2480.

ST. JOHNLAND NURSING CENTER MEMORY LOSS SYMPOSIUM

St. Johnland Nursing Center co-sponsored a symposium with Cold Spring Harbor Laboratory and North Shore-LIJ Health System on "Memory and How to Keep It!" on Tuesday, July 26, 2005 at Cold Spring Harbor Laboratory.

Panelists included Dr. Sydney Gary from Cold Spring Harbor Laboratory, Zachary Mainen, Ph.D., Associate Professor at Cold Springs Harbor Laboratory, Tracey J. Shors, Ph.D., Neuroscientist at Rutgers University Center for Collaborative Neuroscience, Trey Sunderland, M.D., Chief, Geriatric Psychiatry Branch, National Institute of Mental Health and future Director of the Litwin-Zucker Center for the study of Memory Disorders and Alzheimer's Disease, and Ronald Hedgepeth, Ph.D., Neuropsychologist at St. Johnland.

The program was open to the public as a community service and covered the latest research on memory formation and loss as well as clinical aspects and possible aids to memory retention.

DVDs of the symposium are available. Please call 631-663-2457 for further information.

Margaret Tietz Nursing and Rehabilitation Center Garden Party Open House

Margaret Tietz Nursing and Rehabilitation Center, a 200-bed skilled nursing facility in Jamaica, NY, hosted its annual Garden Party Open House on June 23, 2005, sponsored by Hospice of New York, Hospice Care Network, Visiting Nurse Service of New York, INSPIRIS, Metropolitan Hospice, Integrative Medical Care PC, and Parker Comprehensive Community Hospice. In attendance were discharge planners and social workers from area hospitals as well as assisted living facilities and senior centers.
