## *Marquis Rehabilitation and Care Center*

**Marquis Rehabilitation and Care Center** hosted a resident council meeting for Assemblyman, Chuck Lavine (second from left). The topic was the increase of the personal needs allowance...it has been \$50 since 1980 and as we all know it doesn't buy what it used to. The assemblyman discussed how a bill is passed to the senate and how we can help in our facility. The result was a petition that will ultimately be signed by residents, staff and family members and sent to our senator's office.
