The New York Health Care Alliance is a network of 48 post acute health care facilities providing a continuum of high quality care for patients who need sub-acute care and rehabilitation.

The Direct Link is a patient placement service which provides **Case Managers** and **Discharge Planners** with expert support and direct access to over 12,000 skilled nursing, sub-acute and rehabilitation beds.

The patient placement service provided by the **New York Health Care Alliance** can be accessed by calling: **1-877-HI-NYHCA**. **PRI's can be faxed to 212-968-7710, ATT: Carolyn Angrisani.**

The residents of **Sutton Park Center for Nursing and Rehabilitation**, a 160-bed skilled nursing facility, located in New Rochelle, NY enjoyed a special evening of "Under the Sea".

The residents made the decorations for the evening including two octopuses and a life-size mermaid.

The residents dined on popcorn shrimp and drank pina coladas. All of the music for the evening had a "watery" theme. A good time was had by all.

Highland Care Center, a 320-bed skilled nursing facility, located in Jamaica, NY, provided its residents with a festive 4th of July barbeque that included music by a “Glen Miller” style band as well as the usual holiday fare of hamburgers, hot dogs and ribs with all the fixin’s.

A fun-filled carnival was provided by Amazing Amusements and the residents, guests and staff all had a good time playing games.

Margaret Tietz Nursing and Rehabilitation Center

Andre Louis, a psychiatric services coordinator at the **Margaret Tietz Nursing and Rehab Center** located in Jamaica, NY, started a 33 day bicycle trip across America to raise awareness of end-of-life care and the importance of maintaining physical fitness.

Mr. Louis is embarking on this trip as a way to acknowledge and thank the administration and staff of the Margaret Tietz Center for their support during his daughter’s successful fight against Leukemia.

His trip started in San Francisco and will end in Queens on September 11. He will be making stops in medical facilities in Utah, Colorado, Nebraska, Illinois, Ohio, Pennsylvania and New Jersey.

His daughter Michele and son Jean-Daniel are accompanying their father on this journey. Follow along as he traverses the country by signing onto [www.](http://www.margaret-tietz.com)
